B. Retention of the GT as Financial Advisor to the Debtor

- 5. On April 26, 2023, the Debtor filed an application to retain GT as their financial advisor under sections 328(a) and 1103(a) of the Bankruptcy Code, effective March 27, 2023.

On October 1, 2023, the Plan became effective. [see Docket No. 177].

Compensation Request

- 9. GT seeks final allowance and approval of compensation for professional services rendered to the Debtor during the Fee Period in the aggregate amount of \$101,893,00, plus approval of compensation for preparation of this first and final fee application in the amount of \$5,000, for a total final award of \$106,892.00.

Summary of Hours and Fees for Fee/Retention

Total Professional Hours and Amount		3.30			\$ 2,694.00

- 20. **Fee application preparation \$5,000 of fees.** GT is required to prepare a fee application to receive payment for fees incurred while advising the Debtor. All the time incurred preparing this fee application occurred after plan confirmation. GT estimates the fees required to prepare this application are \$5,000. The professional services were performed timely, in an efficient manner, and without duplication of work performed by the Debtor's other professionals.
- 21. Bankruptcy Code section 330 authorizes the Court to award professional persons employed pursuant to Bankruptcy Code section 1103 reasonable compensation for actual and necessary services rendered and reimbursement for actual and necessary expenses incurred. See 11 U.S.C. § 330.
- 22. The professional services rendered by GT during the Fee Period required a high degree of professional competence and expertise to address the numerous bankruptcy, litigation, and other issues that arose during the Fee Period with skill and efficiency. GT submits that the services rendered to the Debtor were performed efficiently and effectively, and that the results obtained have provided tangible, identifiable, and material benefits to the Debtor's estate.
- 23. GT's representation of the Debtor required it to balance the need to provide quality services with the need to act quickly and to advise and represent the Debtor in an effective, efficient and timely manner. GT submits that the hours spent were reasonable given the size and complexity of these cases, the significant—and often urgent—legal and financial issues raised, and the

numerous pleadings filed in these cases. The services performed were necessary to assist the Debtor in fulfilling its statutory duties and proceeding through its chapter 11 case in an expeditious and efficient manner.

- 24. The rates charged by the GT professionals in this chapter 11 case are the same rates charged by GT in connection with non-bankruptcy work. The professional fees sought herein are based upon GT's normal hourly rates for services of this kind. GT respectfully submits that the professional fees sought herein are not unusual given the magnitude and complexity of these cases and the time expended in attending to the representation of the Debtor and are commensurate with fees GT has been awarded in other cases, as well as with professional fees charged by other financial advisors of comparable experience.
- 25. GT submits that the fees for which it seeks compensation and re-imbursement in this Application are not excessive and are commensurate with the rates awarded in similar cases in this district for similar services rendered and results obtained. After taking into consideration the time and labor spent thus far, and the nature and extent of the engagement, GT believes the allowance prayed for herein is reasonable and should be approved.

VALUATION OF SERVICES

- 26. As set forth in the charts attached hereto as **Exhibit A**, GT professionals expended a total of 142.30 hours during the Fee Period. The specific categories of the work performed by GT during the Fee Period are set forth in the charts attached hereto as **Exhibits B, C, and D**. GT has charged its normal hourly rates for work of this character. The reasonable value of the services rendered by GT to the Debtor during the Fee Period is \$106,892.00.
- 27. In accordance with the factors enumerated in Bankruptcy Code section 330, GT respectfully submits that the foregoing amounts requested by GT are fair and reasonable given (a)

the complexity of this case, (b) the time expended, (c) the nature and extent of the services rendered, (d) the value of such services, and (e) the costs of comparable services other for non-bankruptcy cases. Moreover, GT has reviewed the requirements set forth in Bankruptcy Local Rule 2016-1 and believes this Application complies with such Rule.

Actual and Necessary Disbursements

28. GT incurred \$0.00 of out-of-pocket expenses relating to its professional services during the Fee Period.

Expedited Consideration Requested

29. GT is requesting expedited consideration of this Fee Application. The Debtor, as the post-effective date reorganized debtor, is currently under contract for the sale of its primary asset, the shopping center known as the Shoppes at Kingsgate (the "Center") located in Kingwood, Texas. The closing of the sale of the Center is expected to be in the first week of November 2023. The proceeds of the sale will be the primary source of funds to pay allowed claims of creditors. GT seeks entry of an order granting the Fee Application prior to November 1, 2023, in anticipation of the closing of the sale, and thus seeks to shorten the normal 21-day notice period by four (4) days to October 27, 2023, to accommodate the entry of an order approving this Fee Application, to the extent there are no pending objections, prior to November 1, 2023.

Conclusion

30. GT respectfully requests entry of the Order, substantially in the form attached hereto, (a) awarding GT final compensation for fees and services provided during the Fee Period in the amount of \$106,892.00, and (b) authorizing and directing the reorganized Debtor to remit payment to GT for such fees, and (e) granting GT such other and further relief as is just and proper.

ORDER GRANTING DEBTOR'S APPLICATION FOR ORDER AUTHORIZING THE EMPLOYMENT AND RETENTION OF GRANT THORNTON LLP AS FINANCIAL ADVISORS FOR THE DEBTOR AS OF MARCH 27, 2023

(Docket No. 80)

Baumgartner in support of the Application [Docket No. 81] (the "Declaration"). The Court being satisfied, based upon the representations made in the Application and Declaration that GT neither represents nor holds any interest adverse to the Debtor or to its estate and is disinterested under section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code, and as required by section 327(a) of the Bankruptcy Code; and it

¹ Capitalized terms not otherwise defined herein shall have the meanings given to them in the Application.

further appearing that the employment of Grant Thornton on the terms set forth in the Application is necessary and in the best interest of the Debtor, its estate, creditors and other parties-in-interest; and it further appearing that the Court has jurisdiction to consider the Application and the relief requested therein; and it further appearing that due notice of the Application as set forth therein is sufficient, and that no other or further notice need be provided; and that the Court having determined that no objections have been filed to the Application; and upon the record herein and all of the proceedings had before the Court; and after due deliberation and sufficient cause appearing therefor,

IT IS THEREFORE ORDERED AND ADJUDGED as follows:

- 1. The Application shall be, and hereby is, **GRANTED**, pursuant to section 327(a) of the Bankruptcy Code in accordance with the terms of the Application as set forth in this Order.
- 2. The Debtor, as debtor and debtor-in-possession, is authorized to employ and retain Grant Thornton as its financial advisors for the purposes, and on the terms and conditions, described in the Application, as modified herein, effective as of March 27, 2023.

- 4. In the event that, during the pendency of these cases, Grant Thornton seeks reimbursement for any attorneys' fees and/or expenses, the invoices and supporting time records from such attorneys shall be included in GT's fee applications and such invoices and time records shall be in compliance with the Bankruptcy Local Rules, and shall be subject to approval of the Court under the standards of Bankruptcy Code sections 330 and 331, without regard to whether such attorney has been retained under Bankruptcy Code section 327. Notwithstanding anything to the contrary in the Application, the Engagement Letter, or the Declaration filed in connection with the Application, GT shall not be entitled to reimbursement for fees and expenses in connection with any objection to its fees, without further order of the Court.
- 5. Grant Thornton shall not charge a markup to the Debtor with respect to fees billed by contract employees who are hired by GT to provide services to the Debtor and shall ensure that any such contract employees are subject to conflict checks and disclosures in accordance with the requirements of the Bankruptcy Code and Bankruptcy Rules.
- 6. Grant Thornton shall provide ten (10) business-days' notice to the Debtor, the U.S. Trustee, and any official committee before any increases in the rates set forth in the Application or the Engagement Letter are implemented and shall file such notice with the Court. The U.S. Trustee retains all rights to object to any rate increase on all grounds, including the reasonableness standard set forth in section 330 of the Bankruptcy Code, and the Court retains the right to review any rate increase pursuant to section 330 of the Bankruptcy Code.

- 7. Grant Thornton shall use its reasonable efforts to avoid any duplication of services provided by any of the Debtor's other retained professionals in this chapter 11 case.
- 8. Grant Thornton will review its files periodically during the pendency of this chapter 11 case to ensure that no conflicts or other disqualifying circumstances exist or arise. If any new relevant facts or relationships are discovered or arise, GT will use reasonable efforts to identify such further developments and will promptly file a supplemental declaration, as required by FED. R. BANKR. P. 2014(a).
- 9. To the extent the Debtor wishes to expand the scope of Grant Thornton's services beyond those services set forth in the Engagement Letter, the Statement of Work, or this Order, the Debtor shall be required to seek further approval from this Court. The Debtor shall file a notice of any proposed additional services (the "Proposed Additional Services") and any underlying engagement agreement with the Court and serve such notice on the U.S. Trustee, any official committee appointed in these chapter 11 cases, and any party requesting notice under Bankruptcy Rule 2002. If no such party files an objection within 21 days of the Debtor filing such notice, the Proposed Additional Services and any underlying engagement agreement may be approved by the Court by further order without further notice or hearing.
- 10. The indemnification provisions included in the Engagement Letter and its attachments are approved, subject to the following:
 - a. As set forth in paragraph (c), Grant Thornton shall not be entitled to indemnification, contribution or reimbursement pursuant to the Engagement Letter for services, unless such services and the

- indemnification, contribution or reimbursement therefore are approved by the Court;
- b. The Debtor shall have no obligation to indemnify GT, or provide contribution or reimbursement to GT, for any claim or expense that is either: (i) judicially determined (the determination having become final) to have arisen from GT's gross negligence, willful misconduct, fraud, breach of fiduciary duty, if any, bad faith or self-dealing, or (ii) settled prior to a judicial determination as to GT's gross negligence, willful misconduct, breach of fiduciary duty, or bad faith or self-dealing but determined by this Court, after notice and a hearing to be a claim or expense for which GT should not receive indemnity, contribution or reimbursement under the terms of the Agreement as modified by this Order; and
- c. If, before the earlier of (i) the entry of an order confirming a chapter 11 plan in this case (that order having become a final order no longer subject to appeal), and (ii) the entry of an order closing this chapter 11 case, GT believes that it is entitled to the payment of any amounts by the Debtor on account of the Debtor's indemnification, contribution and/or reimbursement obligations under the Engagement Letter (as modified by this Application), including without limitation the advancement of defense costs, GT must file an application therefore in this Court, and the Debtor may not pay any such amounts to GT before the entry of an order by this Court approving the payment. This

subparagraph (c) is intended only to specify the period of time under

which the Court shall have jurisdiction over any request for fees and

expenses by GT for indemnification, contribution, or reimbursement, and

not a provision limiting the duration of the Debtor's obligation to

indemnify GT. All parties in interest shall retain the right to object to any

demand by GT for indemnification, contribution, or reimbursement.

11. To the extent the Application, the Declaration filed in connection with the

Application, the Engagement Letter, or the Statement of Work is inconsistent with this

Order, the terms of this Order shall govern.

12. Notwithstanding anything to the contrary in the Application, the

Engagement Letter, the Statement of Work, or the Declaration filed in connection with the

Application, including any arbitration, dispute resolution or jurisdictional provisions, this

Court retains jurisdiction with respect to all matters arising from or related to the

implementation of this Order.
